

Clovis Community Administration

Craig S. Castro, Chief Executive Officer (CEO)

Craig Castro was named CEO of Clovis Community in January 2006. He has served as the Chief Information Officer and Senior Vice President for Community Medical Centers since 2002. Mr. Castro has more than 25 years of information systems management experience.

Prior to service with Community, Castro held various information systems positions at Saint Agnes Medical Center, including Senior Vice President and Chief Information Officer. He led and designed the center's information systems program and was recognized nationally for his accomplishments. He also worked for Arthur Andersen & Co. as a member of their Los Angeles-based information systems consulting division.

Mr. Castro also has served as Board chairperson for Advanced Medical Imaging and the Central California Society of Information Management. He received a Bachelor of Science degree in Business Administration from California State University, Fresno in 1982.

Tracy A. Kiritani, C.P.A., M.B.A., Chief Financial Officer (CFO)

Tracy Kiritani joined the team at Clovis Community in July 2006. Although new to her position at Clovis Community she worked for Community Medical Centers before. She has more than 25 years of financial experience with 22 of them devoted to health care.

Before joining the team at Clovis Community, Kiritani has held various financial and medical information leadership positions. Most recently she was the Director of Finance at Saint Agnes Medical Center and oversaw the team responsible for all financial analysis, budgeting, cost accounting and government reimbursement. Before joining Saint Agnes she was the Director of Clinical Information at the Catholic Healthcare West corporate headquarters in San Francisco where she coordinated the efforts of over 40

hospitals in designing, implementing, benchmarking and measuring corporate/governmental initiatives specific to the delivery and improvement of patient care.

John R. Kass, B.S.N., M.B.A., Chief Nursing Officer (CNO) & Interim Chief Operating Officer (COO)

John Kass joined the Clovis Community team as Chief Nursing Officer in June 2011. Although new to his position at Clovis Community, John held leadership positions as Chief Clinical Officer, Chief Nursing Officer and Director of Critical Care Services at IASIS Healthcare.

John began his nursing career in 1990 at Western Psychiatric Institute and Clinic in Pittsburgh, PA. He continued his practice in psychiatric nursing working with the adult male forensic population at the Utah State Hospital in Provo, Utah. His primary nursing experience was at St. Mark's Hospital in Salt Lake City, Utah where he specialized in medical, neuro and cardio-thoracic ICU nursing.

John obtained his Bachelor's degree in Nursing from Weber State University and his Masters of Business degree from the University of Phoenix.
