All providers are invited to participate  
CME 1.75  
Breakfast will be provided by CRMC

## More information:

Please contact **Dominic Dizon**, [ddizon@fresno.ucsf.edu](mailto:ddizon@fresno.ucsf.edu);  
**Ednann Naz**, [ENaz@communitymedical.org](mailto:ENaz@communitymedical.org) or **Serena Yang**, [syang@fresno.ucsf.edu](mailto:syang@fresno.ucsf.edu)

**Tuesday, September 5, 2017**  
**8:00 a.m. – 10:00 a.m.**  
**UCSF Fresno Auditorium & Room 137**

**This lecture will help close the gap in knowledge of current QI in Diabetes Programs at the Deran Koligian Ambulatory Care Center. Upon completion of this activity, participants will:**

- Learn the definition and purpose of the Primary Care Interdisciplinary Redesign initiative (PCIR) and apply in practice
- Be aware of the burden of diabetes mellitus in the Central Valley and the need for preventive measures
- Understand the various programs and efforts done at the Ambulatory Care Center through the UCSF Fresno Departments of Family and Community Medicine; Internal Medicine; Pediatrics; Psychiatry; and the Pharmacy Department to improve care of diabetic patients
- Be able to discern health care disparities that act as cultural and linguistic barriers to the care of diabetes in the Central Valley.

Community Medical Centers is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

Community Medical Centers designates this live activity for a maximum of 1.75 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.
